Criteria for the awards:

The applicant must:

- apply in writing using the appropriate application form or process listed below
- be enrolled in a full time course of study at Year 12 or Year 13 at Mount Aspiring College.

The awards will be made based on:

- written application
- an interview
- academic record
- all-round contribution to college life

Specific criteria apply as follows:

Jamie Robertson Music Scholarship:

- A video or audio tape showing the student performing must also be submitted.

Batchelar McDougall Consulting Engineering Scholarship applicants must:

- Have been a student at Mount Aspiring College for no less than two years;
- Be intending to study a tertiary engineering course at Canterbury or Auckland university;
- Have a genuine interest/passion for engineering.
- Be working towards completing NCEA Level 3 at the time of application.
- Be competent in English and have a strong focus on Maths and Science.

Additional information:

- The award will not be judged solely on academic achievements.
- The scholarship will be paid for course fees at a Tertiary Institution with a minimum of three years study.
- \$500 will be granted for the first year of study, and \$1000 will be granted for the second year of study (on condition that the recipient presents their first year's transcript showing passes to an acceptable level to become eligible to qualify for the second year's payment.
- Mentoring by BMC Directors Graham McDougall and Warren Batchelar will be available throughout the study period.

Otago Polytechnic Principal's Scholarship applicants must:

- Meet the academic entry criteria for their chosen programme of study.
- Where places on a course or programme are limited, normal selection criteria will apply.
- The scholarship applies to Domestic students only.
- Multi-year scholarships are available for a maximum of 3 years. Study must be continuous within the same programme.
- A three year multi-year scholarship which includes a bridging programme for example the Certificate in Health (level) and the first two years of a health degree. The student would be responsible for the full fees of the third year of the degree.
- All multi-year scholarships will only be redeemable in the second and third years if the student has been successful in the prior year. Successful means maintaining full time study and passing in at least 50% of the course.
- The scholarship entitles the recipient to a \$1500 per year reduction in course fees for a full time full year programme, or \$750 for a full time one semester programme. If the programme differs from the standard FTE or is part-time, then the amount will be worked out on a pro-rata basis.
- For those students eligible for FeesFree, the amount they are eligible for can be used towards accommodation costs (if staying in one of Otago Polytechnic's on-campus accommodation options), or towards course related costs – further detail will be given to successful candidates.
- Students can only receive one Otago Polytechnic scholarship in any one year.
